ACCREDITATION

Denison is accredited by the North Central Association of Colleges and Secondary Schools, which was formed in 1913, and had Denison on its original list. Other agencies recognizing and approving Denison are The Ohio College Association, The Ohio State Department of Education, American Association of University Professors, American Association of University Women, Great Lakes Colleges Association, American Chemical Society, and the Commission on Accreditation of Athletic Training Education.

GRADUATION REQUIREMENTS

May 2021 and prior - 127 semester hours of credit; after May 2021 to present - 126 semester hours of credit; concentration in one discipline or approved individually designed major; completion of General Education requirements; minimum cumulative GPA of 2.000 overall and in the major field.

TRANSFER GRADING POLICY

A grade of 'S' and 'TS' indicates that the student has completed advanced placement or approved transfer course work at another postsecondary institution. The grade carries no quality points toward a student's institutional grade point average. The student will, however, receive comparable credit hours at Denison University for advancement placement or course work completed at another institution.

CALENDAR

Denison University operates on a semester calendar. Fall and Spring semesters each runs approximately fifteen weeks.

CSL (Curricular Service Learning)

Indicates that the course has a mandatory service learning component.

ACADEMIC TERM HONORS

Dean's List – Awarded to full-time students attempting at least 12 academic hours who achieve a grade point average of 3.7 for the semester, with no D's, F's, U's, I's, X's, W's, WD's, WF's or WP's.

ACADEMIC STANDING

A student's academic standing is indicated on the transcript at the end of each semester. A minimum cumulative grade point average of 2.00 is required to maintain good academic standing.
