Cogmaster grading scale:

The scale goes from 0 (lowest grade) to 20 (best grade), 10 being the minimal grade required to pass a course. Students are allowed to take between 30 and 36 ECTS(*) per semester. The semester average grade is calculated from the 30 ECTS associated with the best grades, and each grade is weighted by the corresponding number of ECTS. Certain courses are passed without grade; they thus participate in the credit count but not in the semester average.

*ECTS: European Credit Transfer System.

Below, grade-equivalent appraisals are indicated :
