Dear Hoke,

I am happy to inform you that you have been selected as one of five 2020 winners of the Provost's Academic Excellence Award. The Student Research and Grants Committee (SRGC), under the aegis of the Lisska Center, reviewed the nominations and made recommendations to the Provost, who made the final selection.

This is an award for those graduating seniors who have exhibited an extraordinary level of intellectual engagement and academic achievement during their time at Denison, as demonstrated by an exemplary academic record, engagement in independent research or creative work, and contributions to intellectual life on campus.

Although we won't be able to recognize you in person this year due to the unprecedented Covid-19 pandemic, we will be announcing your award via Denison's social media platforms, and you will be receiving a commemorative award in the mail.

**Congratulations on your accomplishments and best of luck in your post-Denison endeavors!**

Sincerely,

  
Kim Coplin  
Provost

Hoke -
